This document describes how to use major functionality of New Education Policy site (survey.mygov.in)

General Information –

The National Policy on Education was framed in 1986 and modified in 1992. Since then several changes have taken place that calls for a revision of the Policy. The Government of India would like to bring out a National Education Policy to meet the changing dynamics of the population's requirement with regards to quality education, innovation and research, aiming to make India a knowledge superpower by equipping its students with the necessary skills and knowledge and to eliminate the shortage of manpower in science, technology, academics and industry. For this purpose, 33 themes have been identified for discussions. There are divided into two levels – Higher Education (20 themes) and School Education (13 themes).

System Summary –

This system has State, District, Block, Urban Local Body and Village level users. Higher level user works as Nodal Officer for Lower level users. System facilitates User Creation/Edit, Submit Consultation, Report Generation and Dashboard activities to nodal officers. Non nodal officers can only submit consultations through system.

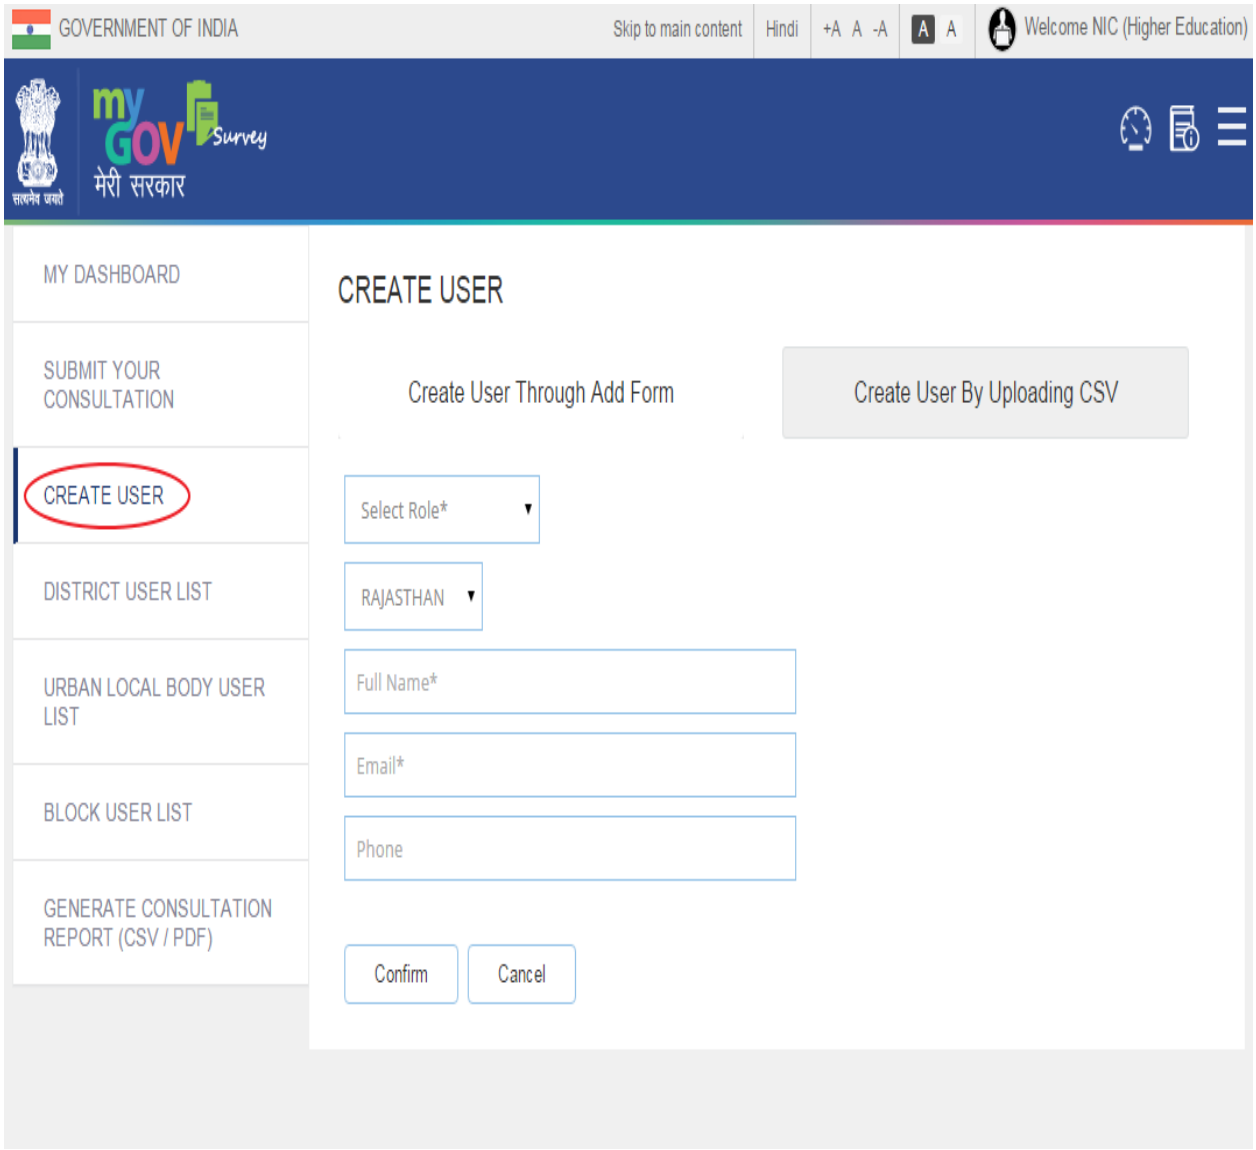
2. Create User –

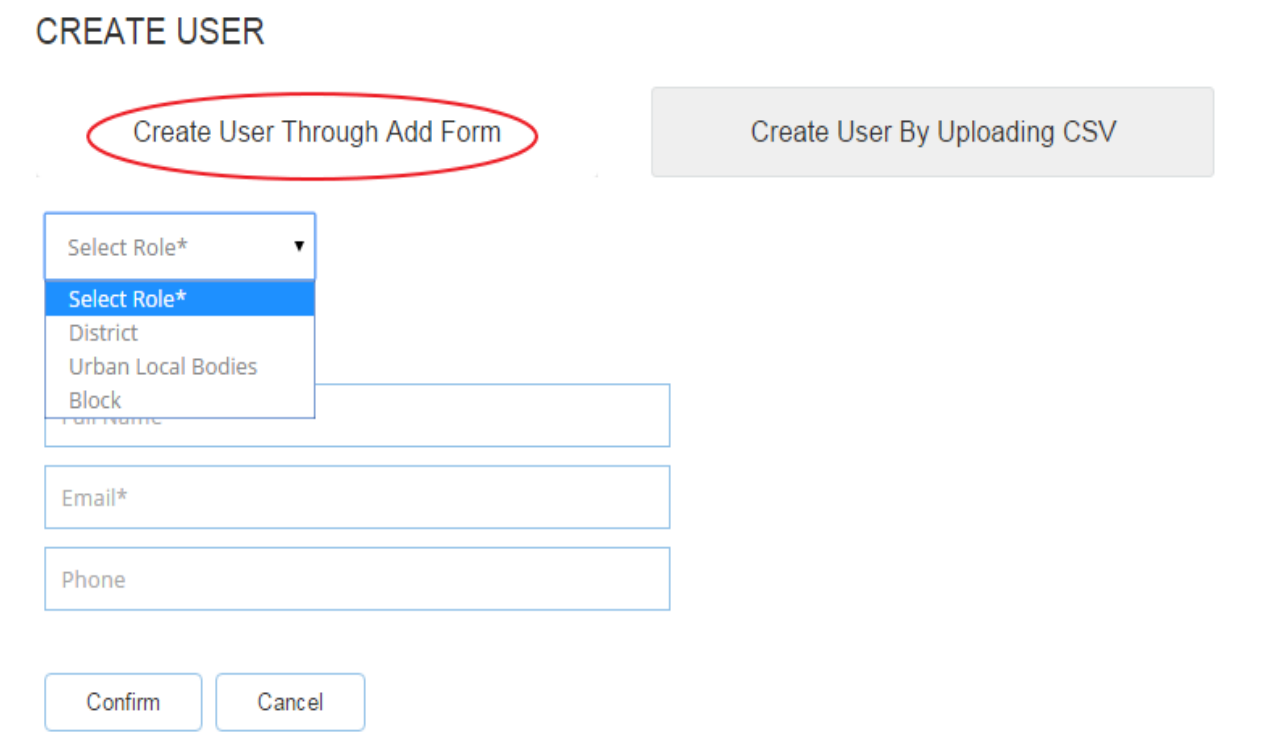
A State HE nodal officer can create subordinate district, urban local body and block level users…



A State HE nodal officer can create users for subordinate levels by following two ways…..

2.1 Create User through Add Form – This is the process of creating a single user at a time. Fill all the required information in the form.

Confidential Document. Copyright NIC

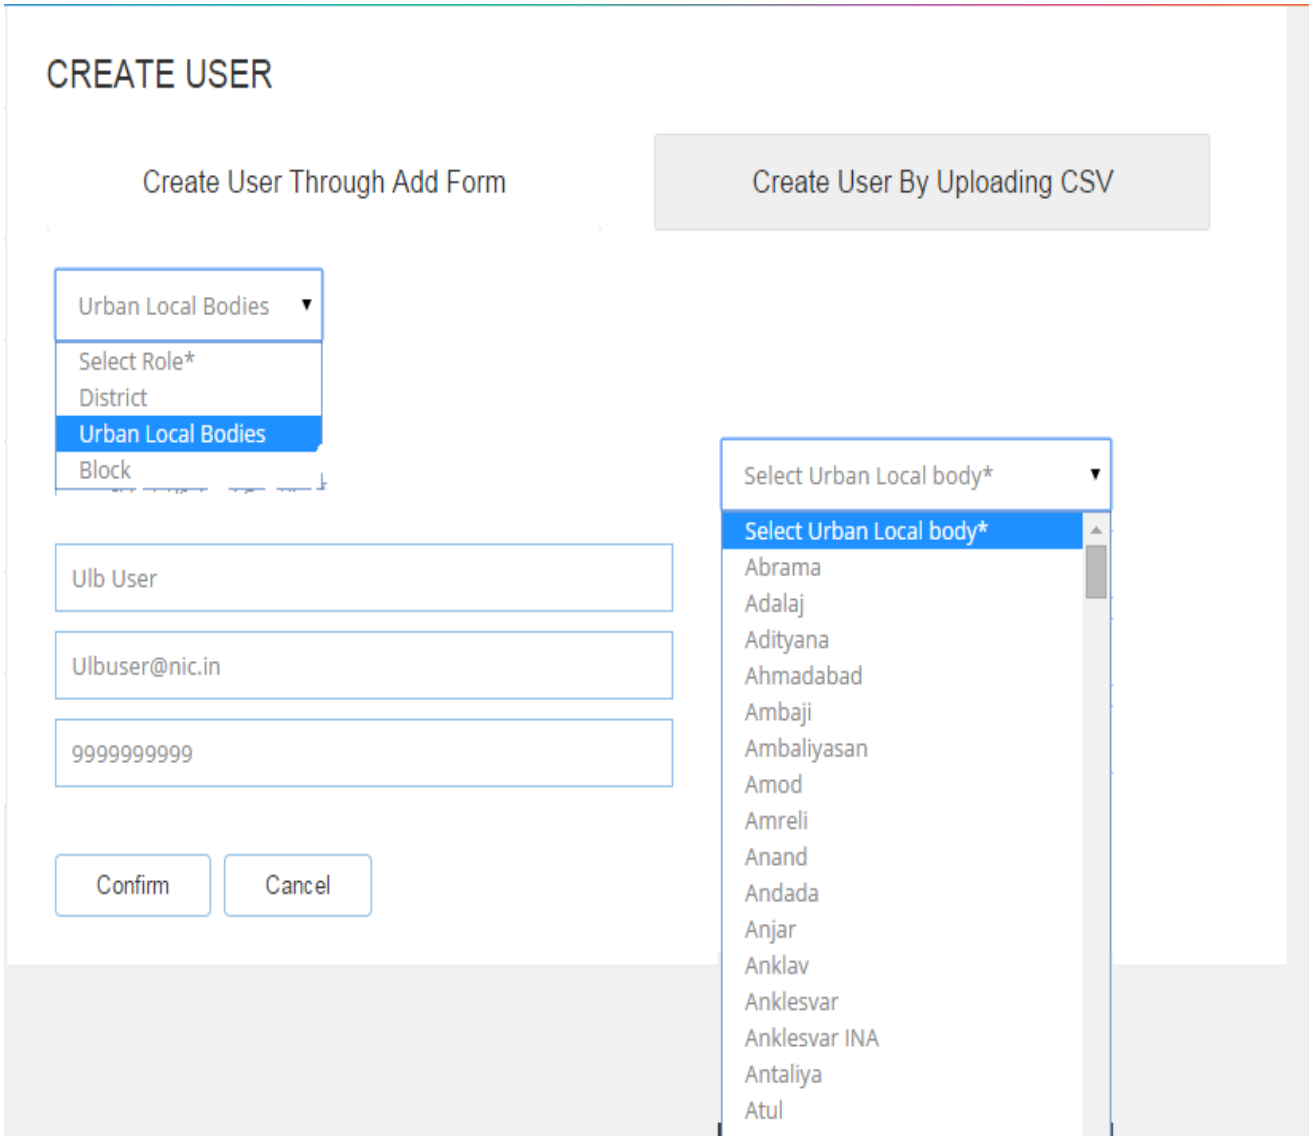


Sample Screen shots of creating Urban Local Body user is followng…

(i) Selcet Role - Urban Local Bodies.
(ii) Select State from state drop down menu.
(iii) Select Urban Local Body from the drop down.
(iv) Fill the rest of the form data – Full Name, Email id and Phone. Full Name and Email Id fields are mandatory.

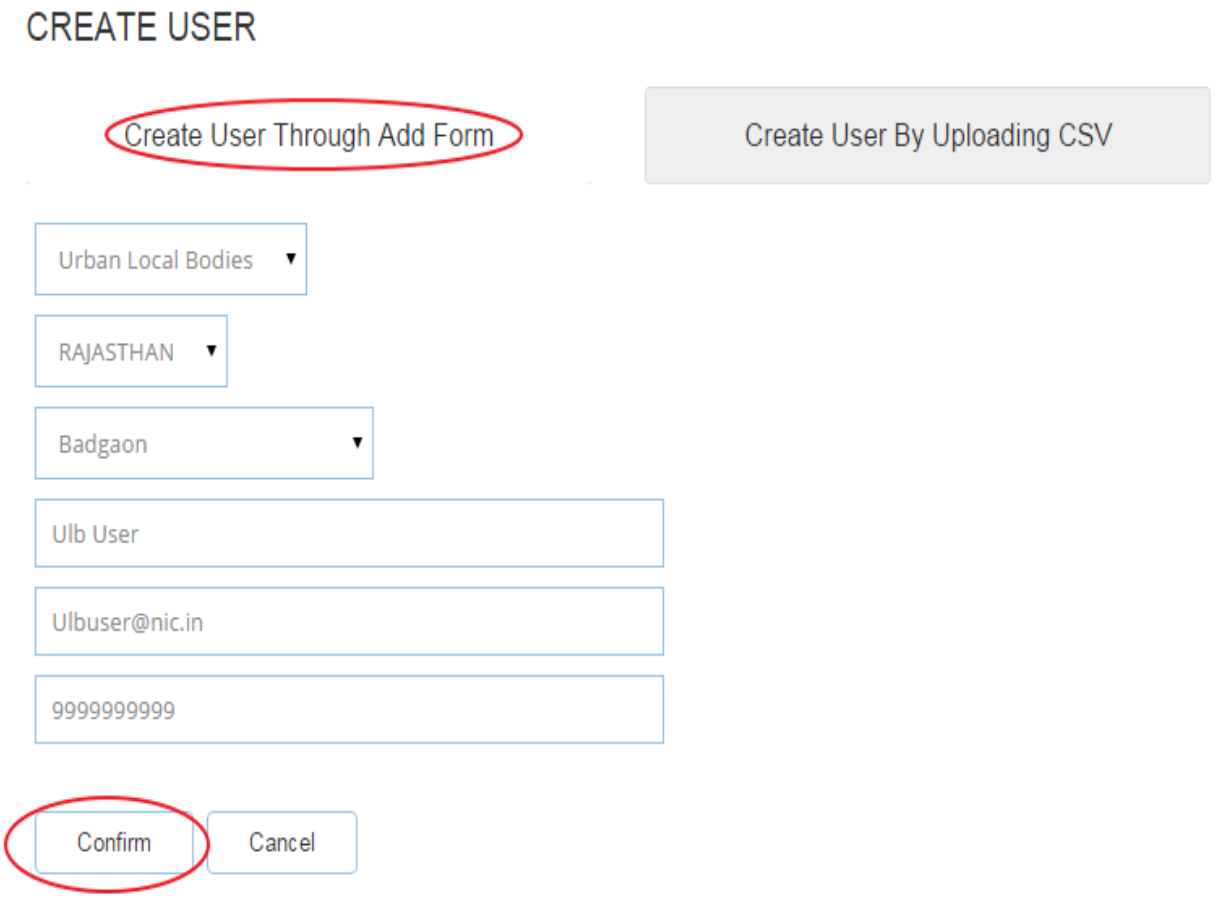
After filling all the fields in the form click on 'Confirm' .

Confidential Document. Copyright NIC

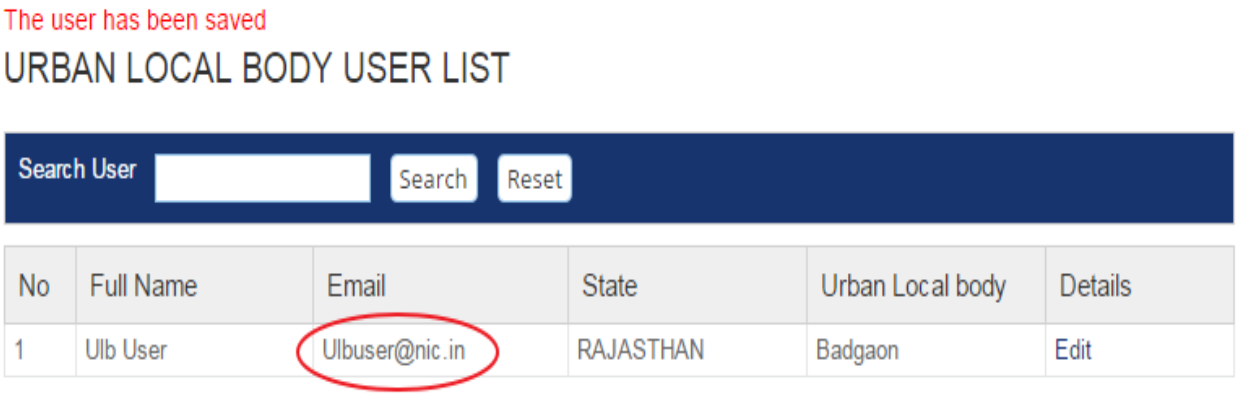


Filled data in form would look llike following...

Confidential Document. Copyright NIC

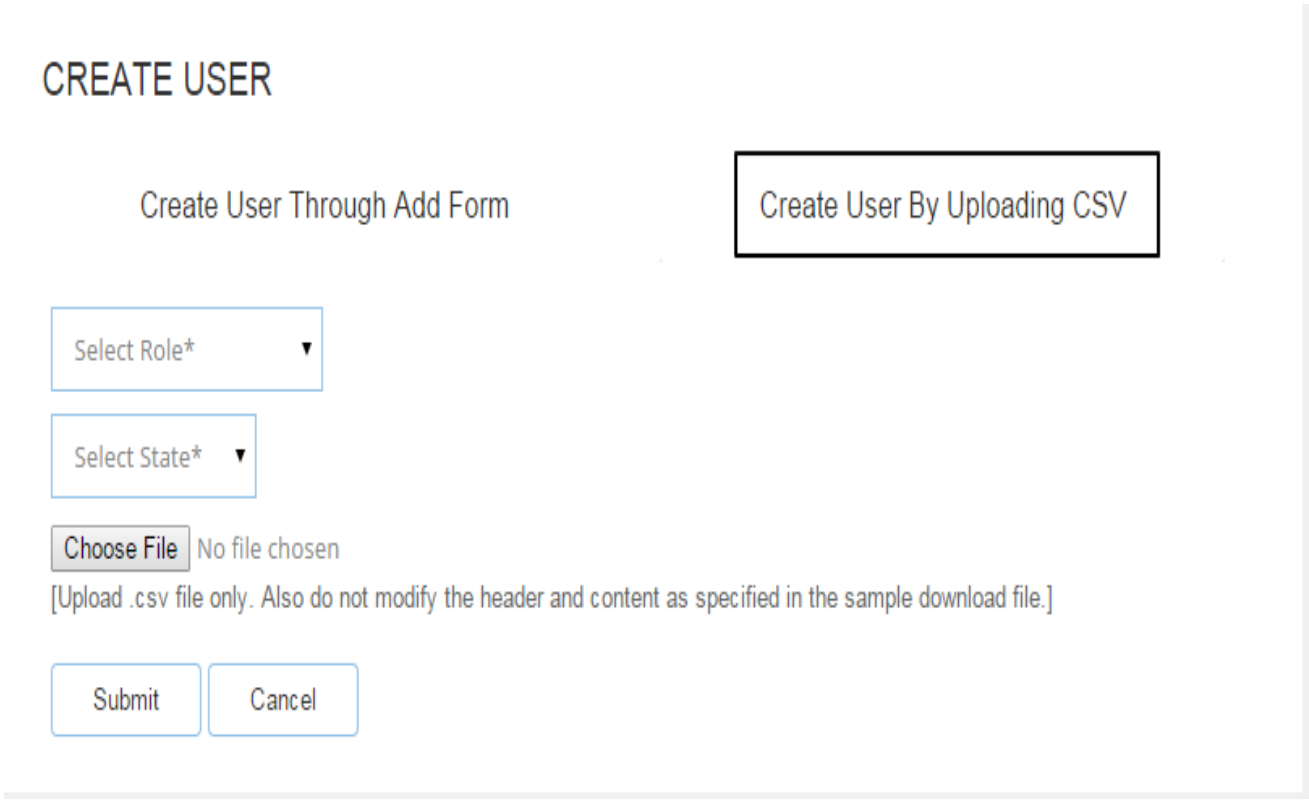


Details of created users can be viewed in ***User List*** table.



Confidential Document. Copyright NIC

2.2 Create User By Uploading CSV - A State HE nodal officer can create *multiple/single* subordinate district, ulb and block level users at a time by uploading CSV.



CREATE USER
Create User Through Add Form
Create User By Uploading CSV
Select Role*
Select State*
Choose File
No file chosen
[Upload .csv file only. Also do not modify the header and content as specified in the sample download file.]
Submit
Cancel

Sample Screen shots of creating Block user are following…

(A) Creating ***multiple*** block users at a time..

(i) Select 'Block' in role drop down.
(ii) Select state and district from the dropdowns.

Once drop down till district is selected, user will get an option to download CSV file.

Page would look like following...

User is advised to change credentials after first login fro auth.

E Mail format is following.

New Education Policy

Dear Sir/Madam

Welcome to the New Education Policy consultations on MyGov!

Following are a few instructions for submitting the consultations on survey.mygov.in:

The Consultations will be conducted in two parallel tracks – one for Higher Education themes and another for School Education themes. The consultation themes and questions have already been circulated to the States by MHRD and have been incorporated in the software under the specified themes. These theme-wise consultation responses will have to be entered into the consultation software by each local body as a PDF / JPG / PNG format copy of the proceedings / resolutions along with data entry of the transcript of each question.

Kindly note: Both Higher Education and School Education consultations are to be submitted by logging in with this @gov.in/@nic.in. For other email IDs, please ensure you are registered on MyGov.

- Theme-wise resolutions in PDF format along with photographs of the meeting (JPEG/PNG format) should be kept ready beforehand.
- The software allows the rural and urban local bodies to upload the consultation responses in the States' official language. The transcript / data entry must be carried out using Unicode only. However, State level data entry is required to be done in English.
- The software also includes a dashboard to review the progress of upload of consultation documents in MyGov. The Nodal Officers can view the dashboard for all levels subordinate to them. The executive officers at each level can view the dashboard for the local bodies in their hierarchy, for instance the Zila Panchayat CEO can view the dashboard for all Blocks and Villages in his district.

For any further queries, please write to us at connect@mygov.nic.in. Ministry of Human Resource Development and MyGov look forward to your active participation to make the nation-wide consultations a huge success!

Please note: Your credentials for login are: **mail id** - [redacted] **/ Password** - [redacted]. Change your password on first login on "survey.mygov.in".

Thank You
Regards
Team MyGov

SMS Template - Welcome to the New Education Policy consultations on MyGov. Please use your MyGov Auth username and password for first login on survey.mygov.in

4. Submit Consultation –

Theme-wise PDFs should be kept ready before beginning to fill the consultation form. Relevant photographs of meetings held (if required) can also be kept ready.

Consultations are divided in 33 themes (20 Higher Education level and 13 School Education level). User would answer the respective themes as per education level.

Numbers of questions in each theme differ at different levels.

Here is the snapshot of themes for **State Higher Education** user...
